SUMMARY

Business Administration graduate (Vietnamese-German University, 2024) with a strong foundation in communication, teamwork, and project management, combined with hands-on experience in web development. Successfully completed numerous outsource projects, building websites and custom solutions for diverse clients using WordPress, PHP, Rails, Svelte, HTML, CSS, and JavaScript. Now seeking to transition into product-based development to deepen technical expertise, contribute to scalable solutions, and grow into a full-stack developer within a dynamic product team.
